

Dec. 3, 2008

Greetings Coaches,

Congrats to all of you on a fine 2008 Football Season, to those that made the playoffs, and to those still playing. Good Luck and bring some hardware back to the Houston Area.

I hope this letter finds you in great spirits for the upcoming Holiday Season. I ask you to join us to make this year's Greater Houston Football Coaches Association Food Drive the biggest success yet.

Wednesday, December 17, from 2 to 6 pm, is the scheduled drop off time and date for all area football programs. As in the past, we are working with Profit Plus, Inc. (map on back) and the Shriner's Hospital to handle and distribute the food that we collect. The Shriner's count and depend on us to make the Holiday Season a happy time for those that are in need. This is a great cause and support group that we are working with, and all we have to do is gather the supplies.

We understand that there are people in need in all areas of Houston, and that you have local food pantries that could also use our support at this time and all times. So, what we are suggesting and what we have done in the past is have you split what you collect between local pantries and the GHFCA location so we are helping throughout the Houston Area. We believe that is how we can have the biggest impact. So please, rally your troops, get them started soon, and let's have great participation out of our area football programs, coaches, and kids. *Coaches, you know where the motivation must come from!!*

Sincerely,

Ray Zepeda
